

**BTEC Professional Diploma in Rehabilitation Studies
(Visual Impairment) – level 5**

Course fees ‘Easy Payment Options’

Provision Solutions is dedicated to providing high quality services to Local Authorities, Charities and Voluntary agencies – an ethos that extends to our educational and training programmes.

We realise that charities are funded in several ways and may be better served by spreading course fees over the academic year. Therefore, we have introduced our ‘Easy Payment Option’ that enables the financial investment in staff education to be managed more effectively.

Payments can be made in 2 equal payments (No interest)

- A pre-course payment of £1800 +VAT@17.5%
- Prior to Unit 3 – 2nd payment of £1800.00 +VAT@17.5%

Important notice

Students will be unable to continue their education if payments are not received.

******For organisations placing a number of students on one course or for those receiving our ‘custom courses’, payment options will be discussed prior to commencement.
